Good News - Community Charter Approved

The Board of Directors has decided to change our Field of Membership and we have finally been approved for a Community Charter. We now allow anyone who lives, works, worships or attends school in Tewksbury and relatives of such to join our credit union.

This decision has been in the process for many years and we finally decided to move forward now and keep up with the incoming credit unions to our area. By allowing more members to join we can continue to grow and stay competitive with our rates and keep our fees down, as well as offer all of the services our members want. We in no way want to change our current relationship with our existing members.

We are in the process of expanding our building, which is expected to be completed by the end of January 2006. We are also expanding our parking lot to add the necessary parking spaces needed. We ask for your patience during our renovation and ask you to continue to use our drive thru whenever possible to allow parking for those who want to come into the credit union. We hope to have the parking completed by late spring.

We have changed our name to:

Tewksbury Federal Credit Union

Now is the time to welcome your friends and neighbors who can now also join and get the same great service that you all do.

We wish all of you a Happy & Healthy New Year!

Website Change

Within the next month you will notice a change to our website. We will be able to make changes to it daily. This will allow us to let you know what is going on immediately.
